## DO YOU NEED A CERTIFICATE INSPECTION?

***Please contact our hotline at (800) 333-INSP (4677)***

Jurisdictional regulations which govern the inspections and certification of certain equipment can be complicated and confusing. Depending on the jurisdiction one or more of the following equipment may require a certificate:

- Power boilers, and high-pressure, high-temperature water boilers;
- Low-pressure steam or vapor heating boilers, hot-water heating, and hot-water supply boilers;
- Refrigeration systems;
- Pressure vessels

For your convenience, Hartford Steam Boiler has an Inspection Hotline to answer your questions and receive inspection requests. If you have Equipment Breakdown coverage, you can request jurisdictionally mandated inspections using the contact details below.

Ways to contact Hartford Steam Boiler:

**Inspection Hotline: (800) 333-4677**

8:00 A.M. – 8:00 P.M. EST
